Members Absent Ellen Pearson, Ray Tryon

Public Hearing Shulklapper Chair read the Notice of Public Hearing The work has already been completed the filing of the NOI was a response to an enforcement order issued by the ConCom.

AH inquired where the pipe starts

Would like to see it cut off at the driveway. OC

Discussion on the emergency at Ellen Pearson's The water is going around the dam. The water has been released from the pond The CC agrees with the emergency status. Ellen's letter explained what needs to be done to restore the property to pre flood condition. Normal agricultural maintenance under 10.04 The CC agrees.

A letter will be sent agreeing with the emergency, drawdown and repair ASAP agree other work allowable 10.04

Mike Mielke discussed a bridge repair project He was advised to file a NOI.

Antico

Chair read the NOI at 7:30

Steps and something to hold back the soil. This NOI was filed as a result of an enforcement order. The project is fifty feet from the stream. Landscaping and stone steps. The commission requested further info. The commission formulated the O of C

Dolby

Charles Dolby filed a Building Permit Application to add a deck to his house. The commission saw no impact on the Wetlands

Germain

The chair read the Notice of Public Hearing at 8:00 She wants to repair a retaining wall on Lake Garfield. The wall is to be one foot high. It will not be as high as the existing wall. Members of the commission will inspect. The commission stated that the lake will be better protected if the project was done after the drawdown.

Inspection Wed 9:00 AM The hearing was held open.

Tryon

He wants to remove 2 cement well tiles about 60' from the Konkapot Used as former water supply He will remove the tiles and cave in the holes and put some hay over them. He will bury them outside the 100' buffer.

He was informed to file an RDA The members will inspect at 9:15

Kwass

Chair read the Notice of Public Hearing at 8:30

Wants to install a well. He plans to tear down the existing house and rebuild a new house. He will install gutters and down spouts

to prevent erosion from the roof Hearing closed 8:50

Lake Garfield Drawdown

Decision based on input

The Selectmen have requested a full drawdown.

The commission needs more input will discuss at September meeting.

RDA Flatow The commission determined that the project was in the buffer zone but will have no impact on the lake so they may get their building permit.

The members ratified the Enforcement Orders to Skulklapper and Antico

The members reorganized

Ellen Pearson Chairman

Jed Lipsky Vice chairman
